

A great Amazon is gone.

Dr. Ismene Joyce-Kostakis

(March 11, 1934 – November 16, 2022)

With great sorrow, whilst also feeling privileged to have known such a talented, intelligent, vivacious and compassionate human being, we are saying goodbye to our mamà, mother-in-law, mayaya, companion, teacher and friend.

The memorial service will be open to family and close friends, time and date are yet to be confirmed.

She will be very much missed.

The families:

Cressida Joyce, Steffen Fuchs and Christina Antonucci
Nicholas, Viviane and Ayman Joyce-Laissue and the Laissue family

In keeping with Ismene's spirit, we kindly request that instead of flowers and wreaths, donations be made to Médecins Sans Frontières, the Schweizerischer Blinden- und Sehbehindertenverband or the UNO Flüchtlingshilfe.
