freedom –
The secret of freedom is
courage.*

THANK YOU

We are overwhelmed and deeply touched by the countless signs of compassion and consolation we have received since our beloved

Tizian Carl Eduard Schenker

has gone.

We thank you for your kind words of sympathy, the very generous donations to the Tizian Schenker Scholarship Fund in Singapore and the beautiful flowers.

We are especially grateful to Pastor Simon Gebbs for his steadfast support throughout these difficult weeks and his thoughtful, so dignified service.

The loving sympathy that we have received from all of you, and especially also from Tizian himself – his far-sightedness, wisdom and caring affection – gives us strength and comfort. We have the greatest respect, love and admiration for Tizian. He gave us so much more than we could ever give him, and his beautiful, warm, magic smile will always touch us like a sun ray.
