

"A life well-lived and well-loved"

Our beloved aunt

MARGARET SILVESTER HORNE

6.1.1930 – 17.1.2023

whose wonderful kindness, generosity, sense of humour, brilliance and utter gentleness remain with us all and made her a favourite aunt, great-aunt and friend died peacefully, at the age of 93, on 17 January 2023 in Hofstetten.

An intrepid traveller, independent adventurer, brilliant linguist, tennis and golf champion, Margaret lived a wonderfully full life and will be greatly missed.

Margaret is survived by her eight nieces and nephews. We give thanks for a wonderful life, lived with dignity and kindness to the end.
