

"Though the gold of your true nature can get buried beneath fear, judgment, and confusion, the more you trust this loving presence as the truth of who we are, the more you will call it forth in yourself and in all those you touch."

Tara Brach, Trusting the Gold

Mary KRIENKE

passed away peacefully at her home on June 13th 2023, at the age of 87. She was surrounded by her loved ones, her husband, Björn Krienke, her son Kai Krienke, and her two grandchildren, Äya and Jan Krienke. Mary was born in Du-luth, Minnesota, on May 6th 1936, and was a true "girl from the North Country", though in her heart she was always a New Yorker. She will be remembered for her incredible energy, her unwavering independence – which she encouraged in all those she met – her love for music, for art, for the beauty of language, and for her boundless curiosity toward life. Mary will be sorely missed as the beacon of light she was.

A ceremony will be held in her honor at Les Fourneaux du Manège, Route de Chancy 127, 1213 Onex, in Geneva, on Saturday, June 17th, 2023, from 3 to 6 pm.
