

*"I wish I can show you when you are lonely or in the darkness
The astonishing light of your own being"
Hafiz of Persia*

We are sad

Maysam Haghdan

11.08.1989 – 10.12.2020

has left us.

We have shared the daily work with you, in the last months we have always been with you in our thoughts. We are grateful that you were with us and that we were allowed to walk a little way with you. We miss you and we will keep you in our memories.
