## **Virginia Fiske Marshall (Ginny)**

We mourn the loss of our dear Ginny. Her presence brought an infectious joy to everyone she encountered. She left us too soon at a youthful 62. Her combat with cancer was courageous.

All in her family, her close circle of friends, want to express gratitude for the humane professional care by the medical staff of the Gynecological unit of HUG, particularly Prof. Patrick Petingnat, Dr. A. Sarivalasis and the wonderful nurses and aids working with Madame Ginette Rosseel. Also our heartfelt thanks for the efficiency and exceptional kindness of her attending medical staff at the Clinique Joli-Mont.

A memorial ceremony will be held at the Centre funéraire de Saint-Georges, on Friday March 8 at 14.15 hours.

In place of flowers, please consider a donation to Ligue Genevoise Contre le Cancer, ccp 12-380-8.
